Looks like my lawsuit against hall estill, Johnathan Rogers, Patrick Cremin and The University of Tulsa was transferred to Federal Court. No surprise. The judge handling it has a child employed by Hall Estill. I also served Professor Daman Cantrell with a Subpoena on Trey's lawsuit. I guess it was just luck that he walked right by.

I wish my schedule were not so packed today as I've been wanting to buy a bigger gun. Maybe next week.
