Aww I ended up with corrupt Kern. He needs to recuse. He's a piece of crap who gave TU over a half million dollars. He claims his wife did it but if we follow TUs way, he did it.

I'm glad they are moving Trey's lawsuit to Federal Court and amending the lawsuit to include Federal Claims. It's time. Justice Delayed is Justice denied. My biggest fear is that ole Winona or Pat die from old age before Trey gets his day in court. Winona Tanaka is a bigot who needs to be tried for her crimes!!! It's coming soon.
