It is the policy of The University of Tulsa not to do the right thing and this is why they are fighting so hard to keep all documents under seal in Trey's lawsuit. The University of Tulsa is a corrupt cesspool that doesn't do the right thing, they steal money, lie, cheat and pay attorneys to try to cover it up. The University of Tulsa expects to make jurors sign confidential disclosures so they cannot talk about the lawsuit after they are done hearing the lawsuit against them. This is wrong. The public has a right to know. The University of Tulsa never does the right thing. John Lackey doesn't exactly have the best reputation in Tulsa. He's quickly becoming known as a corrupt attorney because of the clients he represents.
